

## Lake Eugenia Paddle June 5, 2025

The Paddle around Lake Eugenia is intended to be a relaxing morning with fellow paddlers. We are planning on meeting behind Tim Horton's at 9:00am and driving up to the public access to the lake. It is located just off Canrobert Street in Eugenia.

The lake is man-made and was created in 1915 to support a hydro electric power project on the Beaver River. It was named in honour off Empress Eugenia, wife of Napoleon III.

We will launch our boats as soon as we have everyone present so make sure you let the Trip Leader, Dave Hambley know if you are coming. His email is [david.hambley2010@gmail.com](mailto:david.hambley2010@gmail.com) and his cell phone is 705 888-8623.

We will finish our paddle before noon and head off to a local restaurant, the Blackbird Pie Company, in Heathcote which is on our way back to Collingwood.
