

Probus Blue Mountain Snowshoeing

Next Snowshoe Trek Date: Thursday **March 13, 2025 @ 10:00 AM**

Description of Trek Location: The trek will be approximately 2 1/2 km. We are snowshoeing on the new Bruce trail extension of the trail, and then along the escarpment at Craigleith and Blue Mountain ski clubs. We will have a fairly flat and beautiful walk along the edge of the escarpment and through thick forest and open fields. Due to the warm weather forecast, Carl will pretrek the route and report back to those signed up by Wednesday PM, as to whether snowshoes, crampons or icers will be appropriate for trail conditions.

Meeting location: We will meet at Tim Hortons on First st and carpool to the Swiss meadows subdivision on the escarpment. This is a loop Trek.
